WHERE DO I LIVE?
"Where, Mr. Jones, I'll tell you. I certainly wouldn't live in the middle of smog, like others do, and here's why: according to a Los Angeles County Medical Association survey, 60 per cent of physicians specializing in chest ailments had recommended that patients leave the smog area. So had 51 per cent of internists and 50.6 per cent of general practitioners! They advised this because their patients were suffering from eye irritation, chest pains, cough, shortness of breath, nausea, headache—and so on. Not good for adults—and assuredly not good for children. Now, why not move your family out where I live? Clean ocean air, smog-free, water sports, golf, tennis, plenty of shopping facilities. Oh, didn't I tell you the name of the location, yet? It's Grandview Palos Verdes!"
